

Q7

Audi Genuine Accessories

Audi Genuine Accessories. As individual as you are.

There is no limit to true greatness. The Audi Q7 does not just get you from A to B – with exceptional performance, innovative technology and precisely finished materials, this vehicle impresses with every turn of the wheel. This is a feat that knows no bounds, particularly when using products such as those from Audi Genuine Accessories, which make good on our promise of quality each and every day. For you, that means benefitting from made-to-measure solutions that impress on account of their design and functionality. After all, high quality standards play just as important a role for Audi Genuine Accessories as they do for each and every Audi. Discover what tailor-made solutions Audi Genuine Accessories has in store for you.

It only fits, if it fits perfectly. Discover the range of accessories here. You can also visit: www.audi.com/imagespot. Connection costs depend on your mobile contract.

An endurance test over thousands of kilometres. Nothing but good vibrations.

Driving along a road in a poor condition in the Audi Q7? No problem. Even if your vehicle is equipped with the bicycle carrier for the trailer towing hitch, for example, there is no reason for concern. The transport solutions from Audi Genuine Accessories are designed for such situations and are laboratory-tested by Audi. The hydro-pulse test simulates a real journey using a special test bench. During this test, both the entire vehicle and the equipped accessories are subjected to an endurance test over thousands of kilometres of poor road conditions. All transport solutions from Audi Genuine Accessories have passed these tests, alongside numerous other tests, with flying colours. This claim means that you can rely on Audi Genuine Accessories – even on difficult terrain.

Comfort and protection.

Leaving a lasting good impression: the extensive equipment for comfort and protection.

The Audi Q7 sets benchmarks in many respects. Progressive design. Compelling performance. Innovative technology. Plus dynamics that delight, produced by powerful and efficient TFSI and TDI engines. Performance that reaches new levels, allowing you to get a head start on every journey.

But that is not enough. The extensive range of Audi Genuine Accessories provides you with the opportunity to adapt your Audi Q7 even more precisely to your individual needs. On the following pages, you will discover how you can add your own personal touch to your Audi Q7.

Sport and design

More than simply individual: Unique.

The Audi Q7 is the epitome of quattro, brought to life in a progressive form. Powerful and striking. There is only one benchmark for true greatness: you. You define your own unique idea of a sporty appearance – with the sport and design equipment from Audi Genuine Accessories. To realise this goal, items such as cast aluminium wheels in 10-arm talea design are available. Design can be great – even in the smallest details: The metal valve caps with embossed Audi logo are to be admired. True greatness is everywhere – all the way down to the fine points.

01 Cast aluminium wheels in 10-arm talea design, Matt Black, high-gloss turned finish¹

A wheel in an extraordinary design. In dimensions 9.5 J x 21 for 285/40 R 21 tyres.

02 Audi Genuine tyres (not pictured)

Specially developed and adapted for each Audi model and manufactured from the very latest materials. Thanks to a testing process comprising approx. 50 testing procedures, the standards applied during testing are considerably more stringent than the statutory regulations. When additionally purchasing summer tyres or when fitting winter tyres, Audi Genuine tyres are able to ensure the usual Audi quality.

Discover what makes Audi Genuine tyres so special. You can also visit: www.audi.com/tyres. Connection costs depend on your mobile contract.

01 ▲

¹ Please observe the information relating to wheels found on page 43.

01 Wheel bags

Four-piece set with practical handles, enables easy and clean transportation and the storage of complete wheels. Made from tear-resistant plastic. Wheel bolts can be stored in the outside pockets.

02 Anti-theft wheel bolts (not pictured)

Can only be loosened with the special adapter provided, making it difficult to steal the wheels.

03 Valve caps (not pictured)

The four metal valve caps with the embossed Audi logo provide better protection for the valve from dust, dirt and moisture. Available for rubber, metal and aluminium valves.

04 Snow chains (not pictured)

For increased hold on snow and ice. Available in a range of sizes.

Learn how to fit the snow chains quickly here. You can also visit: www.audi.com/snowchains. Connection costs depend on your mobile contract.

05 Cast aluminium winter wheel in 5-arm crena design, Brilliant Silver

Complete winter wheel suitable for use with snow chains in dimensions 8 J x 20 for 255/50 R 20 tyres. Maximum permissible speed: 210 km/h. Fuel efficiency class: E; wet grip class: C; external rolling noise class:  73 dB.

Sport and design

06 Running boards

Stainless steel. Make it easier, for example, to stow items in the ski and luggage box on the roof. Rubber pads protect against the risk of slipping. Each running board has a load capacity of 200 kg.

06 ▼

07 LED rear lights, dark-tinted

A shining example for striking details. Made from clear plastic. Visible chrome strips inside the light create a sporty look.

08 LED for entry area

For a bright entrance. Depending on the variant, either the quattro logo or the Audi rings are projected onto the ground by means of an LED light when the vehicle door is opened. Available in a two-part set for the driver and front-passenger side or for the rear vehicle doors.

07 ▲

08 ▲

01/02 ▲

01 Bumper cover¹

Painted in Stone Grey, metallic. Demonstrates the powerful sportiness of the Audi Q7 at first glance.

02 Sport tailpipe trims¹

Made from black chrome-finished stainless steel. For especially dynamic accents at the rear.

03 Roof edge spoiler¹

With integrated brake light, supports a high level of aerodynamics and signals pure power.

▲ 03

04 ▲

04 Exterior mirror covers in carbon

Dynamic and sporty: The exterior mirror covers in high-quality carbon represent a visual highlight while also saving on weight.

05 Front spoiler lips¹

Painted in Stone Grey, metallic. Create an angular appearance down to the finest detail.

06 Door cover strips¹

Painted in Stone Grey, metallic. Reduce damage e.g. from stone chips.

07 Wheel arch covers for wheel arch extensions¹

Painted in Stone Grey, metallic. Underline the striking design of the vehicle and protect the side sections.

¹ Please contact your Audi partner for the exact launch date.

Sport and design

Transport

Greatness can be built upon.

In the Audi Q7, space has been re-envisioned. The luggage space is both generous and flexible – and can be expanded even further as required. Thanks to the transport solutions from Audi Genuine Accessories, you can significantly expand the vehicle's capacity in just a few simple steps. Be it additional luggage, skis, snowboards, kayaks or bicycles. Use your own personal freedom to take whatever you need for enjoyment.

01 Ski and luggage box (300 l)

Ski and luggage boxes

A new design from Audi featuring improved aerodynamics thanks to a flatter, sportier visual concept. Available in Platinum Grey with Brilliant Black side blades or gloss Brilliant Black, each featuring chrome Audi rings and a high-quality, rivet-free look. Boxes are lockable and can be opened from both sides for comfortable loading and unloading. With internal handle for closing the box. Simple quick-action securing system including torque limitation. Positioned towards the front of the vehicle, providing optimum access to the luggage compartment. Available in three sizes: 300 l (page 17), 360 l and 405 l. Can only be used in conjunction with the carrier unit. Further important information that will help you to choose the right roof box can be found on page 43.

Discover the special features of the shape and function of the new roof boxes here. You can also visit: www.audi.com/luggagebox. Connection costs depend on your mobile contract.

01 Ski and luggage box (405 l)

02 Bags for roof boxes

Robust yet flexible. These bags are equipped with a watertight floor featuring a watertight border extending 5 cm upwards. Ideal for making full use of the Audi roof boxes, as it is possible to use the individual bags in various combinations. Available in three sizes: S (43 l), M (76 l) and L (82 l).

► 01/02

03 ▼

03 Ski and luggage box (360 l)

04 Roof carrier bag (not pictured)

For storage or transport of carrier units and smaller roof rack modules. Made from durable material, with multiple loops and a side pocket for suitable tools or small parts.

► 05

05 Ski and snowboard rack

For convenient transport of up to six pairs of skis or four snowboards. Lockable. Can only be used in conjunction with the carrier unit.

06 Ski bag

A convenient way to transport your skis. The ski bag with its premium design offers space for up to four pairs of skis or three snowboards, and can be secured to the fastening rings in the luggage compartment via the integrated straps. The roller system makes it easy to carry the bag outside the vehicle.

07 Carrier unit for the roof rails

Carrier unit for various roof rack modules, such as the bicycle rack, kayak rack and ski and luggage box. The profile is made from anodised aluminium. The carrier unit is easy to install and is lockable. Maximum permissible overall weight for the carrier unit, roof rack modules and load: 100 kg.

► 06

► 07

01

01 Kayak rack

For a single-person kayak weighing up to 45 kg. Can be tilted for easy loading and unloading. The kayak rack and elasticated belt can be secured separately. Can only be used in conjunction with the carrier unit.

02 Bicycle fork mount

Easy to handle. Lockable. Suitable for bicycles with a quick-action lock on the front wheel. Maximum load capacity: 17 kg. Can only be used in conjunction with the carrier unit.

03 Front wheel holder (not pictured)

Made from anodised matt aluminium, mounted with anti-theft bolts, completely pre-assembled. Not suitable for bicycles with a half axle. Can only be used in conjunction with the bicycle fork mount.

02

04 ▼

04 Bicycle rack

The bicycle rack made from a specially shaped aluminium profile and powder-coated steel enables the bicycle to be attached to the car particularly easily. Lockable. Maximum load capacity: 17 kg. Can only be used in conjunction with the carrier unit.

05 Bicycle carrier for the trailer towing hitch

Bicycle carrier (also suitable for electric bikes) for up to two bicycles with a maximum load capacity of 60 kg.¹ The same key can be used to separately lock bikes onto the carrier and the carrier onto the vehicle. Moveable wheel restraints provide a secure hold. Easy access to the luggage compartment is achieved by way of a practical folding mechanism. The bicycle carrier can be folded up and conveniently stored in the bag provided, thereby saving space. An extension kit for a third bicycle is also available as an option.

06 Trailer towing hitch (including trailer assist)

Trailer towing hitch with electrically swivelling ball coupling; operated via buttons in the luggage compartment. The integrated swivelling system socket allows continuous operation of electrical equipment in the trailer or caravan while driving. Trailer stabilisation via the electronic stabilisation control (ESC). Trailer assist helps the driver to guide the trailer when reversing. The trailer is steered using the MMI rotary push button; feedback on the trailer and the system status is shown in the MMI display.

¹Please note the information regarding the maximum permissible trailer load and the gross vehicle weight rating of your vehicle in the vehicle wallet.

▼ 05/06

Communication

Making pleasant journeys a reality.

Feel at home while on the road – with the communication solutions from Audi Genuine Accessories.

This range includes products such as Audi Entertainment mobile, which provides a fantastic cinema experience for passengers in the rear seats. With Audi wireless internet access, you can connect your mobile devices to the Internet conveniently, quickly and wirelessly. Regular navigation updates for the optional MMI are also available to prevent you from getting lost while surrounded by so much in the way of entertainment. You could hardly be any more relaxed when reaching your destination.

01 Audi Entertainment mobile¹

The third-generation Audi Entertainment mobile promises premium entertainment with excellent image quality thanks to the 10.1-inch touchscreen – and all of this in the progressive Audi design. Offering an excellent stage for videos, photos, games and music, the Audi Entertainment mobile includes software that is intuitive to use, numerous connection options (SD, USB 2.0, HDMI IN etc.) and a high level of functionality. By connecting to a Wi-Fi hotspot, users can access the Internet (e.g. via Audi wireless internet access²). The device can be attached in the vehicle to the backrests of the front seats or used outside the vehicle. Requirement: preparation for Rear Seat Entertainment.

¹ The Audi Entertainment Mobile is the winner of the Plus X Award in the product of the year category for 2015/2016.

² Available as a retrofit solution from Audi Genuine Accessories.

Communication

01 Bluetooth headset

The headset is the ideal addition to the optional Audi Entertainment mobile; compatible with various Apple products such as the iPad. The headset can be folded up and conveniently stored in the bag provided. The rechargeable batteries can achieve an operational life of up to 15 hours.

02 Wireless charging cover

Enables wireless charging of the Apple iPhone 6 and 6s. To charge, simply place the inductive charging case on a Qi-compatible charging station such as the Audi phone box with wireless charging. Made-to-measure cut-outs for all connections, speakers, sensors and cameras. The charging case protects against scratches, shocks and dirt, and is certified according to Apple's iPhone guidelines (MFi).

03 Audi SD card (not pictured)

For storing your music: ultra-compact and universal SDHC memory card (16 GB), class 10. Comes with a protective case.

04 Audi USB memory key

The exclusive storage device that emulates the look of a genuine Audi vehicle key. Memory capacity: 8 GB. The special 90° position for laptops makes the device particularly convenient to use. Suitable for all vehicles equipped with a USB connection or the Audi music interface. Can also be used as a USB stick outside the vehicle.

Keep in touch with the world even while on the road.

We live in a time of endless possibilities. With the optional Audi connect, you can bring many of these possibilities digitally and directly into your Audi¹ at the touch of a button.

Moreover, LTE now enables you to access this service up to ten times faster than the previous UMTS standard. Features can be individually tailored to you – all thanks to myAudi and the in-vehicle services supported by Audi connect. The MMI can be used to conveniently search for any points of interest you wish to find or to call up the latest news, weather forecasts or even emails. Using the Wi-Fi hotspot, this functionality can also be accessed via a laptop, tablet or other mobile devices. Audi connect can be used

in many locations around the world – intuitively, simply and conveniently.

If your vehicle is equipped with MMI navigation², Audi connect comes ready for use with the option of accessing the service for three months completely free of charge, which enables you to take your first steps into the world of Audi connect.

¹ Details of technical requirements, availability and usage, as well as legal information, can be obtained from your Audi partner or by visiting www.audi.com/connect.

² Optional.

► Audi connect infotainment services

For the full Audi connect experience, Audi Genuine Accessories gives you the option of extending your access to Audi connect infotainment services or reactivating them at any date in the future once the initial three-month free usage period has expired.¹

► Audi connect infotainment services include:

- Navigation with Google Earth™³ and Google Street View™³
- Point-of-interest (POI) search with voice control
- Destination entry via myAudi or Google Maps™^{3,4}
- Traffic information online
- Fuel prices
- Parking information
- Flight information
- Travel information
- Weather
- News online (individual)
- Access to Twitter
- Messages

³ Google and the Google logo are registered trademarks of Google Inc.

⁴ Destination entry via Google Maps requires a Google account.

05 ▲

05 USB adapter

Enables music and data to be transferred from various mobile telephones and other media players to the Audi music interface or the optional Audi smartphone interface. These devices can be operated via the infotainment system. In addition, most devices can be charged via USB adapters, making them ideal for use with the Audi phone box, which is available ex works. USB adapters are available in various designs. The high-quality spiral design, developed especially for Audi, makes the adapter flexible and easy to use. The adapter takes up less space than conventional cables and does not get easily caught, providing great freedom of movement and extreme durability. For more detailed information, speak to your Audi partner.

06 Audi wireless internet access with LTE¹

06 ▲

For an LTE Internet connection with a Wi-Fi network in the vehicle. With a data transfer rate of up to 100 Mbit/s and a hotspot for up to eight Wi-Fi-enabled mobile devices. Access is possible from up to 100 metres outside the vehicle. Data can be streamed to connected mobile devices via USB 2.0. The use of mobile data abroad is possible using either a domestic contract SIM card following activation in the configuration menu or a local pre-paid SIM card. For more detailed information, speak to your Audi partner.

¹A mobile phone contract (not included) is required for use.

The smallest things often pose the greatest challenges.

The Audi Q7 is the Audi with the most space for children, with room for up to six child seats to fit comfortably. The family products from Audi Genuine Accessories ensure that comfort and safety are placed at the forefront for younger passengers as well as adults. For example, the Audi child seats are not just completely tailored to the vehicle – they also meet the highest standards in terms of their ergonomic properties. As a result, driving is just as fun no matter what seat you are in – and challenges are overcome effortlessly.

01 Audi child seat youngster plus

Offers excellent comfort thanks to intelligent belt guidance. The backrest is adjustable in height and width. Adjustments to set the seat size can be made with ease using a viewing panel. Suitable for children weighing between 15 and 36 kg (approx. 4 to 12 years of age).

Family

01 Child seat underlay

Tailored to the design of the child seats and the interior of the vehicle. Car seats are protected against dirt and potential imprints made by the child seats. Includes two practical storage pockets. Fully compatible with all Audi child seats, even where the ISOFIX base is used.

02 ISOFIX base for the Audi baby seat and Audi child seat (not pictured)

A more secure fit for the Audi baby seat and the Audi child seat. Can be installed and removed quickly. The adjustable support stand provides enhanced stability. Provides an optimum level of protection for the child. Note: The ISOFIX base is optional for the baby seat, but is mandatory for the child seat.

04 ▲

► 03

03 Child seat colour variants

All child seats are available in the colour combinations of Misano Red/black and Titanium Grey/black. The materials used are kind to the skin, breathable, light-resistant, removable and washable and are certified in accordance with the Oeko-Tex® Standard 100. Replacement covers are available from your Audi partner.

04 Audi child seat

Can be used in the forward or rear-facing position. With adjustable seat shell, integrated seat belt and adjustable head rest. Can only be used in conjunction with the ISOFIX base. Suitable for children weighing between 9 and 18 kg (approx. 1 to 4 years of age).

Learn more about installing child seats here.
 You can also visit: www.audi.com/childseatinstallation.
 Connection costs depend on your mobile contract.

05 Audi baby seat

Easy to fit using the ISOFIX base (recommended). Can also be secured using the three-point belt. The integral full-belt safety harness provides improved restraint, while the attached cover offers protection from sunlight. With adjustable head rest. Suitable for small children weighing up to 13 kg (approx. 12 months).

► 05

01 ▼

01 Backrest protector

A practical solution to prevent the backrest of your vehicle seat from getting dirty. Easy to wash. Also prevents children damaging the seat if they kick it while travelling in the back, and offers additional storage space in the form of four small pockets. Tailored to match the design of the child seats, the child seat underlay and the interior of the vehicle. Not suitable for integrated head rests.

02 ▼

02 Audi baby mirror

Easy to secure to the head rest of the rear seat thanks to the Velcro fastener, keeping the baby in the rear-facing baby seat in view. Viewing angle can be adjusted as required. Not suitable for integrated head rests.

03 Rubbish bin

A practical product for disposing of rubbish accumulated when traveling, with a waterproof interior compartment and a capacity of approx. 5 litres. Can be secured to the backrest of the front seats. Easy to clean. Standard refuse bags can also be used and secured easily inside the rubbish bin.

▲ 03

04 Audi plush steering wheel

A steering wheel (24 x 24 cm) in an exclusive Audi design for racing drivers both big and small. Fitted with a squeaky horn for even more fun.

04 ▼

05 ▼

05 Cuddly "Rob the Gecko"

Made from high-quality plush, Rob is hard-wearing, soft and washable.

Comfort
and protection

The best means of protection is to think ahead.

Barely any other car offers you as much flexibility and freedom for your activities as the Audi Q7.

Whether you are travelling for business or pleasure, with family, friends or your four-legged companion – nothing is left to chance. The comfort and protection equipment from Audi Genuine Accessories offers numerous storage options and also protects your Audi Q7 from many signs of day-to-day wear.

01 Partition grille for the luggage compartment

The practical partition grilles (lengthways and transverse) enable the luggage compartment to be separated from the interior as required; the luggage compartment can also be divided down the centre. The partition grille is easy and convenient to fit – no drilling is required.

01 Camping tent

Inflatable tent featuring an innovative and high-quality design with double-walled air struts – includes bag, pump, tent pegs, repair kit and two separate awnings. Sleeps up to three people. Quick and intuitive to pitch: Simply roll out the tent and inflate. Extremely stable, even when faced with wind and in different weather conditions. A weatherproof connection between the vehicle and tent is established through an optional tailor-made vehicle attachment. Can also be used without a vehicle. More information can be found on page 43.

Learn how to pitch and dismantle the camping tent here. You can also visit: www.audi.com/tentsetup. Connection costs depend on your mobile contract

01 ▲

02 Espresso mobile

With a pressure of 16 bar, the espresso mobile delivers true espresso enjoyment, complete with authentic crema. The set includes 18 illy ESE pods, two break-proof espresso cups, a microfibre cloth and an elegant case. Connection via the cigarette lighter in the vehicle interior.

03 Shoe organiser (not pictured)

Organisation on the go: The shoe organiser can be integrated into the high-quality Audi interior and offers storage space for up to three pairs of shoes. The backrest of the front seats is also protected against kicks and contamination.

02 ▲

01 Business bag

More space for your business tools. The high-quality business bag offers you a storage volume of approx. 14 litres – enough space for a laptop of up to 15 inches as well as the various other things you need for the office. Can be securely fastened to the rear seat bench or the front passenger seat using the three-point seat belt. Can also be used outside the vehicle as an attractive briefcase.

02 Rear seat bag (not pictured)

An organised storage space for the rear seat bench. With its various interior mesh pockets, additional storage compartment and total volume of approx. 27 litres, the rear seat bag in high-quality Audi design provides plenty of space for the various items required on a long journey. Easily secured using the three-point belt. Includes a non-slip surface on the underside of the bag.

▲ 01

03 Coat hanger

For jackets, coats and other items of clothing. The coat hanger is fastened to the front head rests.

04 Seat back pocket (not pictured)

Additional storage capacity in a high-quality Audi design with various practical sections – for an even tidier interior. The pocket has a volume of approx. 11 litres and can be secured to the backrest of the front seats. The handles also enable it to be used outside the vehicle.

03 ▲

05 ▲

05 Rear seat box

A sturdy storage solution for various small items. The high-quality rear seat box with a volume of approx. 12 litres makes journeys even more comfortable. It can be secured to the rear seat bench in just a few steps using the standard three-point belt. Includes a mesh pocket with internal drawstrings to secure the contents.

06 Active pillow¹

Sleep comfortably on the road: The active pillow combines a simple scarf with automotive technology, ensuring you enjoy a relaxing sleep. Thanks to intelligent sensor technology, the neck and head are supported automatically with self-regulating air cushions. Operation is intuitive, whether directly on the product or via the smartphone app (currently available for Android).

07 Gecko air freshener

Attaches easily to the air vents and fills the vehicle interior with a pleasant fragrance. No risk of leakage because the gecko air freshener does not contain any liquid.

06 ▲

07 ▼

¹ Please contact your Audi partner for the exact launch date.

01 ▾

01 Luggage compartment shell

Made-to-measure luggage compartment protection. Robust and washable. All-round edging prevents liquids from leaking onto the luggage compartment floor. Can only be used in the 7-seater when the rear seats are folded down.

02 Luggage compartment tray

Ideal for all luggage items that tend to leave traces during transportation. The inlay is made from plastic and features high edges and a robust design; it is also easy to clean. Wide grooves prevent loads from slipping. Can only be used in the 7-seater when the rear seats are folded down.

03 Luggage compartment net

Protects luggage against slipping. For fixing luggage into position via the lashing points in the luggage compartment.

04 Protective film for paintwork (not pictured)

Transparent and reduces the effects of stone chipping and other damage. Applied to the front of the vehicle.

02 ▾

03 ▾

Comfort and protection

05/06 ▲

05 Rubber floor mats

Made-to-measure. Offer improved protection against heavy soiling. Connected to the vehicle by means of the fastening points on the vehicle floor. With “Q7” logo.

06 Premium textile floor mats

Tailored to the size of the floor in the Audi Q7. Made from durable, tightly woven velour. With a special coating on the underside. The floor mats are secured using the points provided for this purpose on the floor of the vehicle. With “Q7” logo.

07 Loading sill protective sheet (not pictured)

Perfect fit. Made from transparent sheeting. Provides the bumper with better protection against damage when loading or unloading the luggage compartment.

08 Mud flaps (not pictured)

Made from high-quality plastic. Reduce paint damage and dirt around the sill and rear apron panel. Available in sets of two for the front and/or rear.

▲ 01

01 Sun protection system

Offers virtually full sun protection. Made-to-measure two or three-part set for the side and rear window. Easy to assemble and store.

02 Care products

Tailored to the high-quality materials used to construct your Audi. Suitable for numerous applications, either in the vehicle interior or for outer care, depending on the product.

03 Vehicle cover (for indoor use) (not pictured)

Ideal fit, in Anthracite, bearing the Audi logo. Made from a breathable and antistatic material. The piping accentuates the shape of the vehicle. Excellent protection from dust and dirt.

04 Vehicle cover (for outdoor use)

Made-to-measure vehicle cover for outdoor use. Made of breathable and waterproof material, bearing the Audi logo. Offers protection against environmental influences such as dirt, dust, sunlight and rain. Includes transport bag for easy storage. Washable at 30°C.

▲ 02

▲ 04

Comfort and protection

05 Rear protective cover

Protects large surfaces against dirt at the rear. The versatile zip-fastening system allows a dog to enter and exit the vehicle via the rear doors. Simple and fast to attach. Durable surfaces, water-tight and washable.

06 Safety harness for dogs

Safety harness for dogs that meets statutory regulations. Made from highly resistant materials including tear-resistant nylon and stainless-steel parts. Special padding helps to avoid pressure marks. With reflective strips in the chest area. Can also be used as a harness for use outside the vehicle.

07 Loading sill protective mat

Protection for the bumper: Simply attach to the load hook of the luggage compartment to prevent damage when loading and unloading. Suitable for transporting dogs, as it protects the bumper against scratches. Including polyester bag with zip and strap.

08 LED gooseneck reading lamp

An extremely bright light exactly where you need it, thanks to the flexible silicone rubber neck. High level of stability in any position. Connection via the cigarette lighter.
